More About Me

What are you most looking forward to during your time at Davies?

I look forward to working on files with lawyers from Davies' various practice groups and challenging myself to enhance my legal skills.

Share a meaningful quote.

When I played competitive soccer growing up, my coach would remind me that "pressure is a privilege" before an important game.

Is there an organization that means a lot to you? Why? And how are you involved?

The Centre for Research Action on Race Relations (CRARR). I interned at CRARR in Fall 2023 and was moved by their commitment to making the justice system more accessible, especially for racialized and marginalized communities in Montréal.
