

Lia's international background has provided her with insight into geopolitical dynamics and regulatory frameworks, which will benefit a career in law.

Her contextual knowledge of legal landscapes across borders has honed her instincts for public policy and cross-border market considerations.

Is there a practice area or industry in which you are particularly interested?

Fund formation and asset management. It's an evolving industry that allows for the building of strong client relations throughout the life cycle of a fund and beyond. I also enjoy the analytical component in fund formation within the confines of regulatory frameworks.

Is there something about you that we would be surprised to learn?

I can solve Rubik's cubes in under a minute.
