Davies Leads in Canadian M&A Transactions for the First Half of 2016

Our relentless focus on helping clients successfully navigate their most complex multijurisdictional M&A transactions has secured Davies a number 1 ranking in Thomson Reuters Global M&A Legal Advisory, First Half 2016. We advised on the highest value of completed M&A deals with any Canadian involvement (US\$19.05 billion out of a total US\$61.4 billion).

Even in a challenging M&A environment, we are pleased to be able to help our clients complete their deals and achieve their strategic business goals.
