Davies Litigators Named in *Benchmark Litigation's* 40 & Under List and Top 50 Women in Canada

Benchmark Canada has recognized four Davies litigators as among the best in their field for 2020.

Chantelle Cseh, Julie Girard and Léon Moubayed have been named in Benchmark's fifth annual 40 & Under List, which profiles the country's most notable up-and-coming litigators who stand out in their respective communities.

Cara Cameron has been named in the eighth edition of Benchmark's Top 50 Women in Canada, which recognizes the top female litigators who have "earned their place by participating in some of the most impactful litigation matters in recent history, as well as by earning the hard-won respect of their peers and clients."

Widely known for its technical expertise and courtroom prowess at both the trial and the appellate levels, Davies' Dispute Resolution team is consistently at the centre of Canada's most high-stakes commercial disputes.
