Fourteen Davies Partners Named Energy Leaders

The *Lexpert Special Edition: Energy* has recognized 14 Davies partners among Canada's elite lawyers in the energy sector.

With a reputation for excellence in this sector, we worked on some of this year's most significant and innovative energy deals, including:

- Axiom Infrastructure Inc.'s equity investment in a 900 MW combined cycle natural gas power plant to be built near Edson, Alberta, known as the Cascade Power Project;
- EAS Energy Partners (a consortium of Enwave, AECOM and Saunders Concessions), which entered into a concession agreement with the National Western Center Authority for the construction, financing, operation and maintenance of a campus energy program for the National Western Center in Denver; and
- Bonterra Energy Corp.'s response to Obsidian Energy Ltd.'s unsolicited takeover bid.

Published annually in *The Globe and Mail*, *Canada's Leading Energy Lawyers* profiles Lexpert-ranked lawyers who work in the oil and gas, electricity, alternative and nuclear energy industries.
