Lexpert Special Edition: Mining Recognizes Seventeen Davies Partners

Seventeen Davies partners have been named among Canada's top practitioners in the 2020 edition of *Lexpert Special Edition: Mining*. This recognition reflects our reputation as a distinguished player in the global mining sector, offering expertise across a range practice areas for our clients.

This year's guide highlights our recent work on one of Lexpert's Top 10 Deals of 2019 – Barrick Gold Corporation's landmark joint venture with Newmont Goldcorp Corporation. The Davies team, led by Melanie Shishler, advised Barrick in this historic accord, which combined the two companies' respective mining operations in Nevada to create the world's largest gold-producing complex. The guide also detailed our role as co-counsel on behalf of the United Steelworkers Union in Essar Steel Algoma Inc.'s three-year restructuring.

The *Lexpert Special Edition: Mining 2020* profiles the highest-ranked Lexpert lawyers who provide services to clients in the mining sector.
