Ten Davies Partners Recognized as Technology Leaders

The *Lexpert Special Edition: Technology 2021* has named 10 Davies partners among Canada's top technology lawyers, affirming our standing as a leader in the fast-growing tech sector.

Over the past year, our team has acted for clients across the tech ecosystem on their most innovative and cutting-edge transactions, including advising on the following deals:

- Xplornet Communications Inc., Canada's largest rural-focused broadband service provider, in its sale to Stonepeak Infrastructure Partners for over \$2 billion
- Google LLC in its acquisition of North Inc., a pioneer in human computer interfaces and smart glasses
- Epic Games, Inc. in its investment in Toronto-based SideFX, the company behind the Houdini 3D animation software used in video game development as well as for visual effects in film productions
- Wattpad Corp., a global multi-platform entertainment company, in its contemplated acquisition by South Korean Internet company Naver Corporation, home of digital comics platform Webtoon, for more than US\$600 million

The following partners were recognized in this year's guide:

- Aaron J. Atkinson
- Michel Gélinas
- Elliot A. Greenstone
- Elisa K. Kearney
- Brian Kujavsky
- Vincent A. Mercier
- Dale J. Osadchuk
- Cameron M. Rusaw
- Gillian R. Stacey
- Justin D. Vineberg

Published annually, the *Lexpert Special Edition: Technology* profiles select Lexpert-ranked lawyers who serve that industry.
