Davies Litigators Score Top 2022 Rankings from Benchmark Litigation

Partners William Brock, Guy Du Pont and Kent E. Thomson were named in the 2022 Benchmark Litigation Canada Top 50 Trial Lawyers list, continuing this honour from previous years.

Our litigation team again achieved the top distinction of “Highly Recommended” in both Ontario and Québec in the 2022 edition of Benchmark Litigation Canada. As well, the 11th edition of this guide recognized 19 Davies lawyers across 12 practice areas as Litigation Stars, with six additional partners named Future Stars – Andrew Carlson, Marie-France Dompierre, Steven G. Frankel, Julie Girard, Michael H. Lubetsky and Corey Omer.

These accolades reflect our team’s track record of securing winning outcomes for clients in their most challenging high-stakes disputes. Our recent work includes:

- successfully representing SK hynix Inc. and SK hynix America Inc. against multiple class actions alleging a price-fixing conspiracy in the dynamic random access memory market – recognized as *Global Competition Review’s* 2022 “Litigation of the Year – Cartel Defence”;
- acting for Égale Canada as an intervener in a lawsuit by the Centre for Gender Advocacy against the Québec government, alleging discrimination against trans, non-binary and intersex people and their families; and
- acting for Rogers Communications Inc. in the appeal of an administrative decision of the Québec Privacy Commissioner that would prohibit Rogers’ use of any personal information to conduct credit verifications and fraud prevention measures in relation to consumer subscriptions for mobile telephone service.

Benchmark Litigation Canada, published annually, identifies the leading Canadian litigation firms and lawyers through an extensive research process, including in-depth interviews with litigators, dispute resolution specialists and their clients.
