Seventeen Davies Partners Recognized as Energy Leaders

The 2022 *Lexpert Special Edition: Energy* has named 17 Davies partners among Canada's top practitioners.

Among our notable work over the past year, we have advised

- Umicore SA/NV, a circular materials technology company headquartered in Belgium, in the development and construction of a first-of-its kind EV battery materials manufacturing plant in Loyalist Township, Ontario, that will be 100% fuelled by renewable energy from the start;
- the Electric Reliability Council of Texas, Inc. as Canadian counsel in defence of an adversary proceeding under Chapter 15 of the U.S. Bankruptcy Code relating to the historic February 2021 winter storm in Texas and the resulting extraordinary demands on the state's power grid;
- Enerflex Ltd. as Canadian counsel in establishing a US\$600-million revolving credit facility and a US\$925-million bridge credit facility for its US\$735-million business combination with Exterran Corporation to create a premier integrated global provider of energy infrastructure;
- Enbridge Inc. in the sale of its minority ownership interest in Noverco Inc. to Trencap L.P. for C\$1.14 billion; and
- Hydrostor Inc., a developer of Advanced Compressed Air Energy Storage (A-CAES) projects, in securing a US\$250-million preferred equity financing commitment from Goldman Sachs Asset Management – one of the largest investments in the emerging long-duration energy storage sector.

This annual special edition profiles Lexpert-ranked lawyers who work in the oil and gas, electricity, alternative and nuclear energy industries.
