Bloomberg Ranks Davies as Leading Canadian Legal Adviser for Activists

Davies is proud to be the #1 Canadian law firm for activist-side mandates based on value of activist stake and the #1 Canadian law firm based on aggregate target market cap in *Bloomberg's* 2022 Global Activism League Tables.

Thanks are due to our clients for entrusting us with their most important matters and to the outstanding team of Davies professionals who serve them with commitment, insight and creativity.

Davies has a leading activism practice in Canada advising both corporations and investors on critical activism matters on both sides of the border.
