Davies Tops *Bloomberg's* H1 2024 Global Activism Review and League Tables

Once again, we are proud to be listed as the #1 Canadian firm in Global Legal Advisers on the activist side in *Bloomberg's* Global Activism Review and League Tables for the first half of 2024. In fact, Davies was the only Canadian law firm that ranked in this category. We are also named the #1 Canadian firm in Canadian Activist Side mandates.

This is a testament to the insight and creativity of our team and the clients who continue to place their trust in us for their most important matters.
