Lexpert Special Edition: Energy and Mining Recognizes 22 Davies Lawyers

The Lexpert Special Edition: Energy and Mining guide recognizes 22 of our lawyers as leaders in the energy and mining sectors. Their expertise in these complex and constantly evolving fields reflects Davies' dedication to assisting our clients in staying ahead in their respective markets.

Congratulations to the partners named in this year's *Lexpert Special Edition: Energy and Mining* guide. This recognition can be attributed to our lawyers' exceptional track record in working across borders to serve our global clients in these industries.

The lawyers included in this year's guide are:
