Léon Moubayed Speaks About Remediation Agreements With *La Presse*

In an [article](#) published recently in French, [Léon Moubayed](#) provides an overview of global trends in alternative dispute resolution mechanisms with regard to corporate crime and shares his insights on the remediation agreement regime recently introduced in Canadian law. In November, Davies brought together 150 participants in Montreal, including business people, bankers, lawyers and accountants, to take stock of the current state of affairs in economic crime matters in Canada and internationally, through discussions with our partners as well as Canadian, American, British and French experts.
