Davies Hits the Centre of the Bull's Eye in Lexpert/ALM 500

The 2017 *Lexpert/American Lawyer Guide to the Leading 500 Lawyers in Canada* placed our firm at the centre of the bull's eye for corporate transactions in Toronto and for tax in Montréal. Additionally, 27 of our partners were recognized as leading lawyers, some in multiple categories.

A collaboration between Lexpert and American Lawyer Media, *The Lexpert/American Lawyer Guide to the Leading 500 Lawyers in Canada* profiles top-ranked lawyers across Canada in 38 practice areas, identified via an annual peer survey. Law firm positions in the bull's eye charts depend on the cumulative recognition their individual lawyers achieve in these surveys.
