Seventeen Davies Partners Recognized in Lexpert's *Leading Canadian Lawyers in Global Mining*

Davies' status as a leader in the mining sector has been reaffirmed in Lexpert's *Leading Canadian Lawyers in Global Mining* 2018/2019, with 17 partners included in this year's listing.

Davies' mining practice comprises a cross-disciplinary group of lawyers with expertise in M&A, securities, tax, finance and litigation, as well as deep experience in environmental and Indigenous issues.

Distributed at key mining industry events held around the world, the publication features articles on current trends and events in the industry and profiles Lexpert-ranked lawyers who provide services to the mining sector.
