Davies Appoints Dominique Robert as New Executive Director in Montréal

We are pleased to announce that Dominique Robert has joined Davies as the new Executive Director of our Montréal office. Dominique succeeds Jacques Fournier, who will retire from the firm on December 31, 2019 after 22 years in the role.

A proven leader with a successful track record in operations management, Dominique is ideally suited to oversee all aspects of our operations with a view to maximizing efficiency and driving client value. Combining experience with strategic foresight, she provides direction on finance, accounting, human resources, information technology and other support services in our Montréal office. Dominique works collaboratively with team leaders across departments and offices to develop tools and platforms that will improve organizational processes in both the short and the long terms.

Dominique's talent, experience and dedication will be integral to our continued success in providing best-in-class solutions for our clients.
