We are honoured to be ranked in the 2024 *Canadian Legal Lexpert Directory* with 117 of our lawyers included among the top practitioners in the country—36 of them receiving the highest ranking of Most Frequently Recommended.

In addition to the individual rankings, we are also listed as Most Frequently Recommended in 13 practice areas.

The *Canadian Legal Lexpert Directory*, published since 1997, includes profiles on leading practitioners and law firms across Canada. Our annual inclusion in the directory reinforces our position as a leading Canadian law firm, and we are thankful to our peers for continuing to recommend our lawyers across a total of 22 practice areas.
