Expertise
Dispute Resolution

Bar Admissions
Ontario, 2013

A talented litigator, Michael serves as legal advisor on e-discovery practices and identifies ways to leverage cutting-edge technologies to better serve firm clients.

He manages and facilitates communication between internal teams, including business, legal and technology groups, on all aspects of digital evidence and e-discovery.

Prior to joining Davies, Michael was a senior director at a prominent e-discovery vendor and led e-discovery teams at two national law firms.
