Québec, 1968

## Known for his practical advice and insightful solutions, Robert brings a broad and deep knowledge of business and transactions to his clients' matters.

He has a diverse practice and advises across a wide range of business activity. Clients rely on Robert's expertise, efficiency and responsiveness for their large and complex mergers and acquisitions and real estate matters. Robert acts for companies of all sizes, in Canada and abroad; they include Canada-wide retailers and real estate companies, as well as manufacturers and wholesalers.

Public companies and their shareholders regularly consult Robert for guidance on corporate governance. Highly regarded as an adviser on family and estate planning issues, he frequently acts for individuals, trusts and charitable institutions.

Robert is involved in a number of charities, including as chair, Corporate Gifts, for the Juvenile Diabetes Research Foundation Gala.
