Québec, 2024

Cédric has a meticulous, solution-oriented approach to tax litigation.

Cédric assists clients with all facets of domestic and cross-border tax controversies, guiding matters from audit through litigation. He has experience across industries, including high-tech companies and alternative asset managers.

With his engineering background, Cédric brings a rigorous technical understanding of his clients' businesses, enabling him to translate sophisticated facts into persuasive tax positions and navigate disputes efficiently.

Representative Work

Private Equity Firm
Representing a **private equity group** before the Tax Court of Canada in connection with a dispute involving foreign exchange forward contracts in what is commonly referred to as "straddle" trading undertaken by a substantial number of taxpayers.
