More About Me

What are you most looking forward to during your time at Davies?

I look forward to working at a firm that excels in everything it does and handles some of the most interesting and complex litigation cases in Canada.

Aside from your studies, what else do you like to spend time doing?

I am a huge soccer fan. I've played my whole life, in high school, in CEGEP and now at McGill in the intramural league. I am also a diehard Paris Saint-Germain fan.

Is there something about you that we would be surprised to learn?

I've lived in seven different countries across three continents!

Is there a skill you would like to learn?

I would love to improve my Spanish. As someone who loves to travel, it would allow me to enjoy and experience the culture and history of a huge part of the world much more than I currently can.
