More About Me

If you were not a lawyer, what career would you have chosen?

Given my background, I probably would have pursued a career in accounting. Otherwise, I would have loved to be a sports journalist or a sports agent.

Why did you choose Davies?

I chose Davies because I truly believe it’s a firm where my personal and professional development will be nurtured. From my first visit to the office, I felt at home. Also, Davies’ expertise in business and tax law aligns perfectly with my interests and education. It was the natural choice.

Aside from your studies, what else do you like to spend time doing?

I am a huge sports enthusiast. I love running, cycling and skiing. I have completed three marathons in recent years and I am constantly looking for ways to challenge myself athletically.
