Katherine is eager to apply her creative problem-solving skills and her deep understanding of corporate operations to her law career.

She is particularly interested in corporate and tax law, drawn to the negotiation and team-oriented aspects of corporate law, as well as the strategic thinking and legal research involved in tax law.

Katherine was awarded the Dr. Harry Lyman Hooker Scholarship at McMaster University for Academic Performance.

Education

McMaster University
University of Toronto

Law School

University of Toronto

More About Me

Why did you choose to work with Davies?

I chose to work with Davies as the firm has a great culture of teamwork and commitment to achieving consistently excellent results. This gave me the confidence that I would be able to work at an environment where I could grow quickly and learn from experienced lawyers. The wonderful conversations I had with each lawyer that I encountered at Davies further allowed me to feel connected to the firm.

What fictional character do you identify most with?

I identify most with Belle from *Beauty and the Beast*! I admire her curiosity, courage and her inquisitiveness. Her love of learning and going beneath the surface level to understand situations around her resonates with me, as well as her ability to stay positive in stressful situations.

Is there a skill you would like to learn?

I would love to learn ballet. I think it's such an elegant combination of grace and discipline. In addition, I admire the dedication it takes to learn the techniques and the artistry involved. Ballet also requires patience and perseverance which are qualities I value in my work. I think it would be a great way to challenge myself physically and mentally while expressing creativity in a new form.
