More About Me

Why did you choose Davies?

I chose Davies both for its reputation for excellence, and because of the people. I wanted to work in an environment that values and invests in its talent, provides opportunities for growth and would challenge me, while also having a strong culture of mentorship and support.

Is there something about you that we would be surprised to learn?

I used to be a singer in a band, and performed regularly around various venues, including festivals, charitable events and recently, at a wedding.

What are the essential qualities of a good lawyer?

A good lawyer embodies adaptability, excellence and teamwork. In particular, I find that adaptability allows lawyers to navigate changing legal landscapes, adjust strategies and tackle challenges with resilience and creativity, leading to successful outcomes for their clients.
