Email
mfanjoy@dwpv.com

With an educational background in political science, philosophy and economics, Megan enjoys taking an analytical and comprehensive approach to solving problems.

Megan is interested in building a broad corporate practice. Her interest in practising law is grounded in her commitment to lifelong learning and intellectual curiosity.

Education

Queen's University

Law School

McGill University

More About Me

What fictional character do you identify most with?

Since binge-watching *Schitt's Creek* during the pandemic, I've always felt a close affinity towards Alexis Rose. Her sense of humour, confidence and straight-shooter attitude is to be admired. Plus, who wouldn't want to have Dan Levy as a brother?

Is there an organization that means a lot to you?

The 519 is a Toronto-based non-profit organization committed to the health, happiness and full participation of 2SLGBTQI+ communities in Canada and abroad. I most recently volunteered with The 519's Among Friends program which included preparing meals for refugee claimants facing persecution for their sexual orientation or gender identity.

If you were not a lawyer, what career would you have chosen?

If I were not a lawyer, I would most likely have chosen a career in publishing. Being an avid reader, I love the idea of collaborating with others to tell a story.
