### More About Me

**Why did you choose Davies?**

To me, Davies brings together two important things – a warm, enjoyable, and motivating environment to work in and a cutting-edge, top-tier firm that pushes you to grow faster than anywhere else. Also, they do some of the best work in the country.

**What are you most looking forward to during your time at Davies?**

I am excited to sit in on negotiations and learn from lawyers on the team, see how they operate and understand how they approach clients.

**Is there something about you that we would be surprised to learn?**

I can read and write in Coptic, which was a near-lost language until its revival in the 20th century. Today, we use it primarily in church services and chants, but it is being passed on to the new generations of Copts in Egypt and around the world.
