More About Me

If you were not a lawyer, what career would you have chosen?

I would be a writer, perhaps focusing on the Stanley Cup champion Vancouver Canucks. Which is to say I would write fiction.

What surprised you most about Davies during the interview process?

By the end of the interview process, I found myself looking at practice areas I hadn't previously considered but the Davies team made them sound fascinating.

Is there something about you that we would be surprised to learn?

I have performed stand-up comedy, sometimes to laughs.
