Expertise
Litigation

Tracey is a law clerk with over 25 years of experience in civil litigation matters.

She assists our lawyers and clients in all aspects of the litigation process, including case development and management.

Tracey has extensive experience in handling the preparation of large document collection and review projects, as well as the organization of class actions. She is an expert in e-discovery and advises lawyers, clients and law clerks on best practices with respect to collection, management, exchange and presentation of electronic evidence. Tracey has participated in both electronic examinations for discovery and electronic trials.
